ABOUT NotGreatRPG

NotGreatRPG is the best group of the worst players you could find. Roleplaying in D&D 5E somehow comes naturally to these clowns. The charm comes from the obvious passion and noob-driven naivety. They lure you in accidentally- be it the sincere efforts at bad voice acting, or the elaborate DIY construction of costumes - but they do. They're Not Great, but they want to be.

The Wanderers' Hideaway Tavern

The Wanderers' Hideaway Tavern is our immersive studio set in which all of our shows take place and are streamed live on Twitch. Using several DSLR cameras, XLR microphones, various miniature figures and set pieces, our production stands out from the fold.
